

St. Nic's Lunch House takes place on the second Wednesday of each month from 12 noon - 1.30pm at St Nicholas' Church. The Lunch House started in 2003 and provides a varied low-cost lunch for all villagers and Church members. About 35-40 people attend regularly and is an excellent means of socialising and meeting new people.

Toddler Group takes place in St. Nicholas' Church every Tuesday morning in term time from 9-11am at St. Nicholas' Church. The group has been running for about 10 years. There are about 20 families on the register and usually about 15 children at each session. The age range is from a few weeks to pre-school. There are always 2 adults in charge although the children are the responsibility of their carers. A charge of 50p per family per session is charged towards coffee and biscuits. A wide selection of toys is available. It is a good opportunity for parents and young children to meet and socialise together. Most families come from Lavant but some from neighbouring areas and villages.
